Electronic Resources

Teach patrons how to use Niche Academy.

Make Hoopla promotional materials available. Increase the number of Hoopla checkouts per patron.

Offer electronic resource classes to the Jeff West schools. Training in using the NEXT OPAC, Hoopla, Sunflower Overdrive and Kansas State Library resources.

Inform the community through social media, brochures, flyers and by telling patrons in the library about all the electronic resources available through the State Library of Kansas.

Inform patrons about the Northeast Kansas Library System (NEKLS). Teach patrons how to use the NEXT online catalog.

Computer Classes

Make sure patrons know that they can set up appointments for one on one computer help. Through flyers, social media and in conversations be sure patrons know that there is someone available in the library to help them with their technology needs.

Coding for Children

Teach coding concepts through virtual and live programing. Purchase 3 books: “*First Coding Book for Kids: Coding Games and Worksheets to Teach Little Kids (4-7 Years)*” “*How to Code, My First Coding Book Board book*” and “*Coding Concepts for Kids: Learn to Code Without a Computer Paperback – November 10, 2020*”. With these books and other resources, we will teach children coding skills on line and provide them with projects to do at home.
