STRATEGIC PLAN 2020-2023

WHO WE ARE

Technology is an integral part of library services to provide information and resources.

All library staff are expected to be able to provide an adequate level of service to patrons to troubleshoot or assist with technical issues or concerns.

**EXCELLENCE

COMMUNITY
NEEDS, INTERESTS
AND PRIORITIES.**

GOALS

Implement an annual technology replacement schedule that includes computers & other needed equipment. (Goal 2 computers annually)

Continue to play a role in internet and increased bandwidth options for Rossville community by collaborating with partners.

Offer assistance as needed for patron learning and exploration.

The annual budget shall include sufficient resources to meet the goals and needs of the community.

Explore options and opportunities to meet the technology challenges and priorities of the community and to expand technology partners.
