

Status of Genealogy Room Addendum

Objective

Over the years, Linwood Community Library has housed documents and items regarding the history of Linwood and the surrounding area. Arlene Pritchard is the current curator of the collection. Let it be known that the following information is per Arlene's wishes.

1. That the genealogy room stays in its current location as long as possible.
2. That when Arlene is no longer able to maintain the collection, Kathy Reno becomes the new curator.
3. If the library can no longer house the collection, that it be given to the Leavenworth Public Library Kansas History Collection.
